(Please circle one.)

I / We support the CA Tea Party Posse, a grassroots coalition consisting of individuals, small businesses, taxpayers and consumer interests groups. As a CA Tea Party Posse coalition member, I/We commit to becoming Study Group Leaders utilizing the “We **Still** Hold These Truths Leader’s Guide” throughout California’s fifty seven counties. We believe that by returning to the timeless principles and practical wisdom that have been the source of America's monumental success, our Bear Flag Republic can return to its’ golden heritage.

CA Tea Party Posse coalition members, by knowing and believing in ten core principles that define us as a nation and inspire us as a people—liberty and equality, natural rights and the consent of the governed, private property and religious freedom, the rule of law and constitutionalism, all culminating in self-government at home in California and independence in the world.
